CONSULTING SERVICES FOR THE DESIGN, IMPLEMENTATION, MAINTENANCE AND SUPPORT OF A PORT COMMUNITY SYSTEM FOR THE GOVERNMENT OF THE REPUBLIC OF TRINIDAD AND TOBAGO (GORTT), INTER-AMERICAN DEVELOPMENT BANK (IDB) LOAN# 3575/OC-TT

Institution: **Ministry of Trade and Industry**
Country: **Trinidad and Tobago**
Project: **Strengthening of the Single Electronic Window For Trade and Business Facilitation**
Sector: **Trade**
Loan No. **3575/OC-TT**

The Government of the Republic of Trinidad and Tobago has received financing from the Inter-American Development Bank (IDB) for the Project, *Strengthening of the Single Electronic Window (SEW) for Trade and Business Facilitation*. Funding received for the project shall be applied to the above mentioned Consultancy.

The General Objectives of this Consultancy are to design, implement, maintain and support a Port Community System (PCS) for Trinidad and Tobago. The PCS will facilitate port logistics, international and domestic trade and the exchange of information between private and public entities thereby reducing time and costs in these processes.

The System will provide a platform that will allow transactions relating to the planning, management and execution of arrival, berthing and departure of ships in port and loading, unloading, delivery, pick up and transport of cargo and containers. The platform will be implemented and deployed for the Port of Point Lisas and Port of Port of Spain, and shall be required to connect and interoperate with the Single Electronic Window Platform (TTBizlink), Custom's system (ASYCUDA), authentication system (TTConnect ID solution), and ports systems (NAVIS).

The Scope of Services for the Consultancy include the following:

- i. Functional Analysis
- ii. Software acquisition and development
- iii. Detailed Design of modules on the platform
- iv. Detailed Technological Infrastructure Design
- v. Functional architecture design and PCS implementation plan
- vi. Configuration, testing and evolution, documentation, training and deployment of the PCS modules; and
- vii. Maintenance and Support of PCS

In this regard, the Central Tenders Board (CTB), on behalf of the Executing Agency, the MTI, invites eligible consulting firm(s) to indicate their interest in providing the Consulting Services. Interested firm(s) must provide information to substantiate their ability to perform the Consulting Services. Submissions shall include, at a minimum, a company profile inclusive of a signed transmittal letter and project summary of experience in similar projects (brochures, reference links of clips highlighting recent work, posters, brochures, radio ads etc., Facebook content etc.) of similar assignments, experience in similar conditions, availability of appropriate skills amongst staff, financial capability, etc.)

Firms are also asked to include any risks and challenges they may have encountered in the design and implementation of PCSs' implemented as well as, the features and functionalities of their PCS software and systems.

This Consultancy requires the Consulting Firm(s) to have the specific experience and/or capabilities and must substantiate such in the following areas:-

- i. Minimum of five (5) years' experience in:
 - a. Design, Implementation, Maintenance and Support of Port Community Systems (PCS); and
 - b. Development, maintenance and support for information systems for large-scale port logistics for container management, foreign trade, etc., involving several companies, dispatchers, and public agencies, to coordinate their import and export business activities

Note: For each job, indicate: location, scope of services (including type of modules implemented) including duration of the project implementation and maintenance and support, year, approximate breakdown of cost for implementation, maintenance and support of the contract, dimension of the working teams for development, maintenance and support, application of the architecture and the technologies required in the execution of the project.

- ii. At least two (2) similar projects conducted within the last seven (7) years – with at least one (1) similar project with an amount of more than 2 million US dollars.
- iii. Qualifications of Key Consultants

Any clarification/queries should be directed to the Officer at Address two (2) below from **Monday to Friday between 8:00 a.m. to 4:00 p.m. (local time)**.

- i. The duration of the assignment is **approximately** 24 calendar months for implementation and 36 months of maintenance and support.

Shortlist shall comprise six firms with a wide geographic spread, with no more than two firms from any one country. For the purpose of establishing the shortlist, the nationality of a firm is that of the country in which it is legally incorporated or constituted and in the case of a Joint Venture, the nationality of the firm appointed to represent it.

Consulting Firm(s) which do not provide detailed information on its specific experience and/or capabilities as identified in (i)-(iii) above in the Design, Implementation, Maintenance and Support of a Port Community System and provide only general information on its e-government experience shall not be short-listed.

The Expressions of Interest is open to all eligible firms as defined in the IDB's policies which can be accessed at website: <http://www.iadb.org/procurement>. *Consultants will be selected in accordance with the procedures set out in the Inter-American Development Bank: Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank (GN 2350-9).*

Consultants may associate with other firms in the form of a joint venture or a sub-consultancy. Note, for the purpose of evaluation at this EOI stage the qualifications and experience of the sub-consultancy will not be considered.

A Consultant will be selected in accordance with the Quality Based Selection (QBS) method set out in the Consultant Policies (GN 2350-9).

An original and six (6) copies of the data must be submitted in sealed envelope(s) clearly marked:-
