THE OFFICIAL PROCESS FOR THE INSTALLATION OF SIGNAGE ALONG THE HIGHWAY

15th February, 2023
MEDIA RELEASE

The Ministry of Works and Transport (MOWT) notes with concern the installation of illegal signage along the Ministry's Road reserves.

In addressing this matter, the Ministry takes this opportunity to advise the general public that agencies or persons who desire to advertise via the use of static or digital signage, along Main Roads and Highways must first apply for official authorisation from the Highways Division. Once approval is granted, persons ought to comply with the stipulated guidelines as outlined by the Highways Division. Failure to do so may result in the removal of any and all advertising at the associated location(s) and/or termination of any formal arrangement between the company and the Ministry of Works and Transport.

Persons or agencies who are interested in installing or maintaining signage or undertaking landscaping activities must submit an official letter of request to the Director of the Highways Division via communications@mowt.gov.tt or orichards@mowt.gov.tt. The guidelines for maintenance, landscaping and signage can be accessed on the Ministry's website at www.mowt.gov.tt under the Highways Division Tab → Services → Highway Signage Installation.

The Ministry of Works and Transport thanks the public for their cooperation in this matter.

Please be guided accordingly.
